Are you eligible for the CalEITC?

The California Earned Income Tax Credit (CalEITC) and Young Child Tax Credit (YCTC) are state tax credits for working Californians. Between CalEITC, YCTC and the federal EITC, you could receive up to $8,000 depending on your income.

Follow the chart below to find out if you are eligible for this cash back refund!

**WAS YOUR EARNED INCOME**

- **$30,000 OR LESS?**
  - **NOT ELIGIBLE**
  - **YOU MAY BE ELIGIBLE**

- **MORE THAN $30,000?**
  - **NOT ELIGIBLE**
  - **YOU MAY BE ELIGIBLE**

**HOW MUCH WILL YOU GET BACK?**

- *Text EITC to 555-888* and use our calculator to find out how much money you can get back from the CalEITC
- *Message & data rates may apply*

Not eligible for the CalEITC!

You can claim the CalEITC all year long!

Visit CalEITC4Me.org to learn more.

You may also be eligible for California’s NEW YOUNG CHILD TAX CREDIT

Get up to an additional $1,000 when you file your taxes!

Visit CalEITC4Me.org/know-it for more details.

*Under the age of 18 may be eligible with qualifying child.*
Exclusion of Many Immigrants and Their Children From Federal Recovery Rebates Makes Tax System More Unjust

71% People Who Remain Excluded From the CalEITC
29% People Newly Able to Benefit From the CalEITC

Note: “ITIN” is a federally assigned Individual Taxpayer Identification Number. Analysis uses an income tax simulation model developed for the California Poverty Measure, a joint project of the Stanford Center on Poverty & Inequality and the Public Policy Institute of California. Based on CalEITC parameters as of tax year 2019, most Californians living in immigrant families who could benefit from the CalEITC remain excluded from the credit.

Source: Budget Center analysis of U.S. Census Bureau, American Community Survey data modeled in 2017 population data.
